

QUICK GUIDE TO SEXTORTION

What is Sextortion?

Sextortion is a serious crime where someone threatens to distribute nude or compromising images for gain, usually financial or sexual (i.e., wanting more images or contact).

How does it work?

Sextortion involves threatening to share explicit images unless demands for money or more images are met. The perpetrator gains trust online, obtains explicit material, and then blackmails the victim.

Victims should stop communication, document everything, and report it to authorities.

Risk Factors

NMEC lists 3 primary risk factor - child lying about age to get on a platform. offering explicit images for some sort of comensation and sending explicit images of oneself to others.

What to do?

Talk openly about sextortion. Ask them to come to you when in trouble., ignore messages from stragers, especially about sex and never to share explicit/intimate photos of themselves to anyone.

About MySchoolSafe

MySchoolSafe is a student safety and wellness platform that addresses improper social media usage, school violence, student self-harm, and overall mental health. The platform integrates monitoring, reporting, and a helpline into one self-learning portal, ensuring student safety and wellbeing.
